

Product Data Sheet

ELECTRICAL EQUIPMENT

LOCKY 8000W MAX.W

CODE: 7200301

Area of application

Plastic terminal blocks for quick and safe electrical connection

**8000
W
MAX**

**450V
MAX
LOAD**

IP20

-20/+50°C

Product Advantages

LOCKY is a practical and reliable connector series, designed for fast, secure, and tool-free electrical connections. Its transparent housing allows easy visual inspection of the wiring, while the integrated locking levers ensure strong and stable cable retention. The LOCKY series is available in 2, 3, & 5 positions, providing flexibility for different wiring and connection requirements in household, commercial, and light professional electrical applications. LOCKY connectors offer quick installation, dependable performance, and organized wiring in a compact design.
